**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need MORE competition, not less. We need to support smaller, more locally involved companies who have the customers best interests at heart instead of the bottom line and who provide personalized service at a lower cost. Please do not grant AT&T's petition. It will hurt those of us with small businesses who rely on reliable broadband providers that give us choices.

Thank you.
